### **College of Arts, Humanities and Social Sciences | NDSU**

Introduction The humanities and social sciences are the study of human behaviour and interaction in social, cultural, environmental, economic and political contexts.

### **Humanities and Social Sciences | The Australian Curriculum**

Humanities are academic disciplines that study aspects of human society and culture. In the Renaissance, the term contrasted with divinity and referred to what is now called classics, the main area of secular study in universities at the time. Today, the humanities are more frequently contrasted with natural, and sometimes social, sciences as well as professional training.
