FINALLY! There is a shape shifter book that doesn't involve vampires! Whoop! What's more it sticks to the true fable of shape shifters and their abilities to transform into more than just one facet. Even the love triangle Ms Loiske included was well written, real and messy and complicated, not one of those whiny twilight teenage relationships.

Reviews Imminence (Shape Shifter, #1) Zoe 2012-07-06. Although it took me a while to get into, once I did I was totally submerged within it. Once you warm to the characters you really get a sense for them and you realize it was worth sticking with. I found myself with full blown tears in parts and at the "to be continued " at the end I was ...
