The Why Why Family (French: Les Kikekoi and also known as Saban's The Why Why Family) is a French cartoon television series for children, which originally aired in 1996, written by Annabelle Perrichon and François-Emmanuel Porché and produced by Saban International Paris. Later, in 1998, the show was broadcast in the United States by Fox. Character designs and comedy elements emulate vintage ...

Computer science is the study of processes that interact with data and can be represented as data in the form of programs. It is the theory, experimentation, and engineering that enables the use of algorithms to manipulate, store, and communicate digital information. A computer scientist studies the theory of computation and the practice of designing software systems.

Computer science - Wikipedia

"I know that most men, including those at ease with problems of the greatest complexity, can seldom accept even the simplest and most obvious truth if it be such as would oblige them to admit the falsity of conclusions which they have delighted in explaining to colleagues, which they have proudly taught to others, and which they have woven, thread by thread, into the fabric of their lives."

Errors and "science myths" in K-6 Science Textbooks
