Transcendentalism is a philosophical movement that developed in the late 1820s and 1830s in the eastern United States. It arose as a reaction to protest against the general state of intellectualism and spirituality at the time. The doctrine of the Unitarian church as taught at Harvard Divinity School was of particular interest.. Transcendentalism emerged from "English and German Romanticism ...

Transcendental idealism is a doctrine founded by German philosopher Immanuel Kant in the 18th century. Kant's doctrine maintains that human experience of things is similar to the way they appear to us☎“implying a fundamentally subject-based component, rather than being an activity that directly (and therefore without any obvious causal link) comprehends to the things as they are in themselves.
