An Introduction to Farmland Investing. Farmland is a fantastic investment! We eat food everyday and it is an important part of our culture. Since food is so ingrained in our lives it only makes sense that it should also be a part of our investment strategy. Inflation hedging is the main reason why some investors are looking at agriculture.

For generations investors have believed that risk and return are inseparable. But is this really true? In High Returns from Low Risk, Pim van Vliet, founder and fund manager of multi-billion Conservative Equity funds at Robeco and expert in the field of low-risk investing, combines the latest research with stock market data going back to 1929 to prove that investing in low-risk stocks gives ...
