By New Zealand law employees have minimum employment rights that can't be taken away from you. It's important you know your rights! You must be given a written employment agreement (contract). You have the right to get advice or support from someone you trust before you sign the agreement. You must be paid at least the minimum wage

Employee minimum rights - employment.govt.nz

November 2017 How's Life in New Zealand? On average, New Zealand performs well across the different well-being indicators and dimensions relative to other OECD countries. It has higher employment and lower long-term unemployment than the OECD average, and benefits from lower-than-average levels of labour market insecurity and job strain.
